

ACEI MEMBER NEWSLETTER - OCTOBER 2023 Edition

<<First Name>>,

On October 5th, Minister Paschal Donohoe published the **Project Ireland 2040 Annual Report 2022** – see press release [here](#).

The report highlights the delivery of publicly funded capital projects throughout the country last year. Accompanying the 2022 Annual Report are three Regional reports which provide a detailed synopsis of the public investments which have been made in three Regional Assembly Areas: the Eastern and Midland Region, the Northern and Western Region and the Southern Region.

We are excited to introduce our spotlight section for members, this edition features [Homan O'Brien](#).

Their exceptional project, "70 St. Stephen's Green" is a 7,000 m<sup>2</sup>, five-storey office development with a double basement has earned accolades including nZEB, BER A3, LEED Platinum, and WELL accreditations. Notably, it was an early pioneer in nZEB compliance. Innovative features such as night-time ice generation and waste heat reuse create a highly efficient building. Through extensive dynamic system simulation, a remarkable 26% energy savings was achieved. The project received "Highly Commended" recognition in the RIAI 2021 Sustainability Awards.
