

# An Engineer Imagines Cork City 2101

## Design Competition for Professionals

Submissions by:

accompanied by  
€100 entry fee

Friday 18<sup>th</sup> February 2022

To celebrate the 80<sup>th</sup> anniversary of the Engineers Ireland Cork Region, we invite members of Engineers Ireland, and all other built environment professionals, to submit an illustration of their vision of Cork City in 80 years' time; the year 2101.

We encourage participants, individuals or in teams, to reflect on the changes to the fabric and society of the City over the past 80 years and to use all their creativity to imagine a future City; a future we hope will see Cork as a highly desirable place to live and visit, while meeting challenges such as climate change.

Engineers Ireland Cork Region has the following cash prize awards:

- €5,000 for 1<sup>st</sup> place;
- €2,000 for 2<sup>nd</sup> place;
- €1,000 for 3<sup>rd</sup> place.

Winners and shortlisted entrants will receive publicity within Engineers Ireland Journal and local media, culminating in an exhibition of the best entries.

Demonstration of innovation and creativity will be rewarded in this deliberately open design brief. Full competition and entry requirement details can be obtained through an expression of interest email to [Competition@engineersirelandcork.ie](mailto:Competition@engineersirelandcork.ie)

Submission, accompanied by a €100 registration fee, shall be made on or before 4pm on **18<sup>th</sup> February 2022** and the winners will be selected and announced on **4<sup>th</sup> March 2022**.
