Wastewater CPD Seminar 2026:

Sustainable Wastewater Management - From Customer to Resource Recovery

Tuesday 10th November 2026

Engineers Ireland, 22 Clyde Road, Dublin 4

This year's seminar will cover a range of topics linked to the path of wastewater from our dwellings, businesses and urban streets into the collecting network and onto our treatment plants, where options for resource recovery have become progressively more varied and exciting.

There will be presentations from a range of industry expert speakers on a range of topics including:

- Influencing Customer Behaviour
- Urban Runoff Management Strategies by Local Authorities
- Wastewater Resource Recovery
- Uisce Éireann's National Biosource Strategy
- Recast Urban Wastewater Treatment Directive

Confirmed speakers Include:

- Sean Laffey - Uisce Éireann
- Dan Gilmore – Scottish Water
- Steve Riches – Atkins Realis
- Fiona Lane - Uisce Éireann
- Andy O'Sullivan - Uisce Éireann
- Kenneth Bucke - Department of Housing, Local Government and Heritage
- Roy O'Connor - Dublin City Council
- Marie Gavin – Dublin City Council
- Carla McNeil - Uisce Éireann
- Aoife Maloney - Uisce Éireann
- Michaël Bentvelsen - Unie van Waterschappen (Association of Dutch Water Boards, Netherlands)

The fees for this event are as follows:

<u>Early Bird</u>

- Member €245.00 – Plus VAT = €301.35
- Non-Member €345.00 – Plus VAT = €424.35

<u>Standard fees</u>:

- Member €295.00 – Plus VAT = €362.85
- Non-Member €395.00 – Plus VAT = €485.85
