

Application Form

ACEI Registered Professional Consulting Engineer

Full name of applicant:

Date of birth:

Telephone:

Email:

I wish to apply to become an ACEI Registered Professional Consulting Engineer (RConsEI) of the Association of Consulting Engineers of Ireland.

I have read the Rules and Articles of the Association and am of the belief that I comply with the requirements for registration as follows:

1. I hold a third level professional engineering qualification
2. I am a Chartered Engineer
3. I am employed in an ACEI Member Company and I exercise a management role as a consulting engineer
4. I have four or more years of ACEI approved professional engineering experience
5. I have been practicing as a professional engineer for a period of not less than four years immediately prior to my application for ACEI RConsEI
6. I have completed an ACEI approved business related course.

If admitted, I undertake to abide by the Articles and Rules of the Association as they now exist or as they may hereafter be amended or extended as long as I remain an ACEI Registered Professional Consulting Engineer.

Full Name: _____

Date: _____

Full Names of Proposer and Seconder who must be ACEI Fellow Professional Consulting Engineers (FConsEI). However, if the proposer or seconder is from another firm, an email from them to info@acei.ie in support of your application is required

Seconder: _____

Company Name: _____

Full Name: _____

Company Name: _____

Please provide the following particulars:

- (a) **Qualifications of applicant i.e. Degrees and Chartered Membership(s) of Professional Institution(s) / other bodies.** State in full specific category of membership, abbreviations will not suffice. State year of qualification and provide copies of certificates.

Chartered Registration number:

Name of Institution:

- (b) **Registered name of Firm in which you currently practice:**

Name of Firm

Address

Telephone

Fax:

Website

E-mail

- (c) **Date of commencement of professional engineering practice in this firm.**

- (d) **Are you a Director or Employee or Agent of any firm other than the firm referred to at (d) above?** If so, please provide full particulars of the business undertaken by that firm. Details of your position in the firm should also be provided or attached.

(e) Principal branches of engineering in which you practice.
